

Simone Gessler opened the mtg with a prayer.

In attendance: Lori Langer, Ann Lynagh , Jennifer Bishop, Seana Stewart, Simone Gessler, Chris Hannah and William Senfuma.

**School Report.** Simone mentioned the Remembrance Day ceremony and mass at the school – at 1:30pm on Monday 10<sup>th</sup> November, everyone is welcome! C Hannah said he will try and get some one from the military to attend.

There will be an evening “open house” on Thursday Nov 6 from 6-7pm to explain PBL to parents.

Simone mentioned that Active After School program will bring this month (it will run two days a week) and there will be four activities on Thursdays: hockey, music club, Art club and a Film Club. All activities need a permission slip completed by parents. Simone mentioned all the other clubs that happen over lunch hour – not sure I have them all: Northern Culture, French, Drumming and Jigging.

Discussion on **Family Fun night Oct 17** People felt the night was a big success with lots of families attending and a good mixture of activities. In effort learn from our events and make them better there was a discussion about the audio and Chris Hannah said he would try to recruit some people to look at the audio system in hopes of making it better. It was also felt that PAC should assign someone from PAC to be in charge as a lot of the work/organizing/cleanup fell on Simone and Seana. About \$250-300 was raised.

**GNWT cuts to schools** came up and we all felt that we should continue writing letters to our MLAs. A Lynagh will follow up with S Waddle and get a letter from PAC to the MLAs and perhaps send the letter out to the Weledeh families.

**Christmas Concert** will be on Dec 18<sup>th</sup> so the committee felt that at the next PAC mtg we would have a list of business we would approach for donations and we would try and make 5-6 enticing baskets and pre-sell tickets for those and keep to the same format for the rest of the baskets. From last year it was noted that baskets for young child and babies were popular.

Meeting adjourned 1:05pm – next meeting Nov 5<sup>th</sup> at noon.
