

## Lupario World

On Friday May 20th, community volunteers, staff and students took part in Weledeh annual PBS Day! Throughout the year, students from kindergarten through to grade seven earned over 10,000 Lupi Tickets, which earned them a day to celebrate all their positive behaviours. The theme of the day was Lupario World and students participated in a number of sessions which reviewed the skills of respect, perseverance, responsibility and anti-bullying. The day began when the characters of Mario World had a big problem, Bowser was being a bully and telling him how to change his behaviour just didn't seem to help. Lupi, aka Lupario, and the Weledeh students came to the rescue! As students took part in the day's sessions they were able to earn power stars, which gave Bowser the power to make good choices and become a great friend. Students enjoyed a delicious hot dog lunch prepared by our P.A.C members and continued their celebration with a popcorn movie party that Lupario gave as a gift for everyone's help and great behaviour. A fantastic day was had by all!!
